ORDER

On January 28, 2022, Madison County Utility District (Madison District) filed a motion seeking an extension to respond to the Commission's November 22, 2021 Order initiating an investigation into the proposed project to install fiberoptic cables using Madison District's system of water lines. As grounds for the motion, Madison District claimed it did not receive the Order initially. The utility also stated that it needed more time to gather the information requested by the Commission. Madison District asked to have an extension until February 14, 2022, to comply with the Commission's request.

The Commission finds that good cause has been shown to grant Madison District's motion.

The Commission, on its own motion, finds that the procedural schedule established on November 22, 2021, should be amended. An amended procedural schedule is set forth in the Appendix to this Order.

IT IS THEREFORE ORDERED that:

1. The Commission grants Madison District's motion.

2. The procedural schedule set forth in the Appendix to this Order shall be followed.
